Dear Ms. Sagri,

This letter is to supplement the amendments send via electronic filing on March 30, 2003. The amendments refer to the 9th District Democratic Committee #C00158022. The changes made are listed below under the corresponding reporting period.

1/1/01-6/30/01

Ballot Method -- we have changed the ballot method on schedule HI to reflect the appropriate composition and allocation.

To address the rebate question -- we have transferred out the state portion of three different refunds which is reflected on line 22, the non-federal amount equals \$1658.24. We then made a corresponding transfer for the amount of \$1658.24 in for non-federal activity for this same amount on line 18. Because we had originally reported incorrectly on our Ballot Method (see above), we did not transfer in enough for our non-federal activity.

To clarify advertisement -- we place ads in various community booklets. These are non-profit entities and the advertisements are not candidate related. An example would be something like "the Ninth District Democratic Committee Commends the Jewish Federation on their 10th Anniversary." I have amended the report to describe the disbursement as non-candidate advertisement.

To clarify the media consulting -- Once again this is non-candidate related as we are not coordinating with any candidates for any advertisements. In fact, we often use Weiland and Associates to help us layout ads to attract more members to our committee.

To clarify Barnard Consulting -- Barnard Consulting does not hold fundraisers for our committee. In fact, our committee does not host fundraisers at all. Instead, Barnard Consulting manages our data, files reports, and stores our files all of which is included in their fee. We do not have any other employees.

7/1/01-12/31/01

Ballot Method -- we corrected the ballot method reported on schedule H1 to reflect the appropriate composition and allocation on the 1/1/01-6/30/01 report (see above). With this correction at the beginning of the calendar year (see above amendment), the ballot method reported on the 7/1/01-12/31/01 report is correct.

Limited Administrative expenses -- Each year we pay Barnard Consulting services to manage our data, file reports and store files. We also pay all expenses related to these services including phone charges and office supplies. Barnard Consulting was paid in the first six months of 2001 for these services. We also paid for building rental on 7/2/01.

1/1/02 - 3/1/02

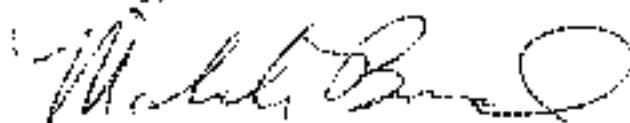

Ballot Method -- we have changed the ballot method on schedule H1 to reflect the appropriate composition and allocation.

To clarify advertisement -- we place ads in various community booklets. These are non-profit entities and the advertisements are not candidate related. An example would be something like "the Ninth District Democratic Committee Commends the Jewish Federation on their 10th Anniversary." I have amended the report to describe the disbursement as non-candidate advertisement.

There will be more amendments to subsequent reports sent under separate cover. Please feel free to contact me at 586-786-1975 if you have further questions.

Sincerely,

Michele Barnard
